THE PEOPLE SPEAK.

The members of the State Dered et Exendreis must realice by this time that monkeying with the law in the matter of the special election bills is not a profitable exercise.

The names of none of the Board were mentioned in the State Convention.

It clearly shows how taxpayers do not indorse false economy, or a captious cutting down of bills in the face of existing statutes.

The result was a foregone conclusion months ago.

The Convention did not stop there. It turned on the hose and sluiced out the capital building from end to end, with the single exception of Jones, who had only Le n there one term.

The idea is fast becoming engrafted into the heads of the voters of Nevada that there is no man in the Republican party whose services are so valvable to the party that eight years sojourn in the Capital building will not amply pay him for them, nor is any man so competent that someone cannot be found who can fill his place with equal ability.

NOT A SLATE TICKET.

The Eureka Sentinel, which always knows everything in advance, printed the following last week:

"The average Republican voter or delegate is a fool who thinks he 2 BIC SHOWS 2 Las anything to do with naming the ticket of his party. The work has all been cut and dried months ago. J. P. Jones for Senator, Ross Colcord for Governor, Frank Newlands for Congress, Bartine for appointment to the U. S. Judgeship, Tom Hawley for Supreme Judge, Jimmy Torreyson for Attorney General, Sam Davis for State Printer, harley Bicknell for lerk of the Supreme ourt, John E Jones, Surveyor General -these are the gentlemen slated by the entral Pacific Railroad for the Republican voters of Nevada to support in the coming

By comparing the above with the ticket actually nominated, the Seminel will see at once that the "slate" was badly smashed, or said State Convention be apporelse the Sentinel is a poor guesser. tioned as follows:

POWNING'S FIGHT.

Pownin,'s fight for the Gubernatorial nomination commended the admiration of his adversaries for its dash and determination

He played his hand with great skill, and at one time only lacked a few points of winning.

The APPEAL was not for Mr. Powning as a Gubernatorial candidate, but it does not wish to let the of portunity pass for paying a tribute to his gamy handling of 11th, 1890?" his fight. When downed he accepted defent gracefully, and shaking hands with Colcord guaranteed him Washoe by a large majority.

Sympathy for the Preache.r

A good story is told of the Rev. Sam Jones. Once in a crowded assembly, after his sermon, he

"I want everybody to stand up who wants to go to Heaven.' Al most everybody stood up and then he said: "Now if there is anyone who wants to go to hell, stand up." For a moment no one stood up, then an individual in a back seat arose and said: "I don't exactly want to go to hell, but I am willing to stand up rather than let the preacher stand alone." -Nashville American.

The Latest Fad.

The custom has been introduced in New York of placing on graves in the cemeteries a metal box with a slit in the lid to receive the cards of visitors The motive for this singular proceeding is that the relatives of the departed ones m iy see who among their friends cherish the memory of the deceased. The custom is expected to become very popular.

Surveyor General Jones is like Richlieu: "The ground on which he stands alone escapes the earthquake."
